

PARENT TIME

Especially for

parents

“Love one another.” That’s what the Bible tells us to do. That’s what Jesus tells us to do. It sounds easy, and it is...when it comes to those whom you already love. But, Jesus wasn’t just talking about your spouse and your kids. He was talking about everyone. That’s right. Jesus loves everyone, and He wants us to show His love to them too.

Loving one another means stopping to help even when others are ignoring the need. It means loving whether you have a little or a lot to give. It means loving a person even if he has wronged you in the past. Sometimes loving one another is easy, and sometimes it’s hard. However, it’s always worth it. Because when we love one another we are showing each other the love of Jesus. And that is what He’s asked us to do!

The community at **TheParentCue.org** was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we’re already spending together.

There’s an app for that:

Parent Cue App – centered around a monthly topic, this app sends weekly CUEs that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.
